- a. test1@gmail.com
- b. test2@gmail.com

5. Snapshot of the UI

The screenshot shows a web browser window with the address bar set to localhost:3000. The page features a logo for 'GVM TIME' at the top center, which consists of a stylized figure running inside a hexagon with horizontal bars. Below the logo, there is a registration form with the following fields and labels:

- Name**: A text input field with the label 'Name' above it.
- Email address**: A text input field with the label 'Email address' above it and the placeholder text 'Enter email' inside.
- Password**: A text input field with the label 'Password' above it.
- Confirm Password**: A text input field with the label 'Confirm Password' above it.

Below the email input field, there is a small line of text: 'We'll never share your email with anyone else.'

React App

localhost:3000

Email address

test1@gmail.com

We'll never share your email with anyone else.

Password

.....

Confirm Password

.....

Submit

Password should be combination of one uppercase , one lower case, one special char, one digit and min 8 , max 20 char long

Passwords don't match

Duplicate message Id:

GYM TIME

Name

test

Email address

test1@gmail.com

We'll never share your email with anyone else.

Password

.....

Confirm Password

.....

Submit

User already exists

Success message:

React App

localhost:3000

Name

Email address

Enter email

We'll never share your email with anyone else.

Password

Confirm Password

Submit
